

About the Program

This program is designed to raise funds for Wildwood's animals. The funds raised will be applied toward habitat improvement, animal necessities, like food and bedding, visits to the veterinarian, and other needs.

Share this rewarding gift with your child, classroom, family, or friends. With your one year sponsorship you not only gain a new pal, you are also helping to support the entire facility. Best of all, your animal pal remains at the Wildwood Nature Center under expert care. You provide the love without all of the hard work. Please visit your animal anytime during our visiting hours.
